## CAR CLUBS

There is one road in New England that stands above all others. The Mt. Washington Auto Road is more than just an 8-mile path to the summit of the Northeast's highest peak — it's a journey through time to a place of spectacular beauty and awe inspiring views. Drive your own car to the summit and experience the weather, geology, and the unique flora and fauna on and around the mountain. Come visit and discover this special place!

### Evening Drives

Have the Mt. Washington Auto Road all to yourself with private, after-hours access to the summit. Your car club will drive up in your own vehicles, accompanied by two of our stage vans. Departure time is based on sunset.
